

# **60<sup>TH</sup> ANNUAL GENERAL MEETING**

## **SECRETARY REPORT**

---

Respected Members, Past President,

Dear Members, Special Invitees, Members of the Press & electronic media, Ladies & Gentlemen.

A very warm good afternoon to you all. I welcome you all to the 60<sup>th</sup> Annual General Meeting of our Association. 60 years has been a long journey with many ups & downs as well fond memories. A journey travelled towards accomplishment. Serving the industry for a better tomorrow. I believe there would hardly be any industry not touched by the good deeds of JSIA in this journey of 60 years. Before I dive into the detailed contents, I would like extend my heartfelt thanks and gratitude to all our Past Presidents, Executive & Sub Committee Members, as well all members, for their full cooperation and support. Thank you for being the unshakeable pillars of this Association.

This year brought several unforeseen challenges with COVID pandemic. Business and activities were fully closed down. Saving and securing life became the utmost priority with limited medical solution. MSMEs were not spared and we too faced a challenging time with endless list of problems and challenges. Lack of finance, work orders, manpower, raw material and zeal to work are few to name. New business norms and practices took over the traditional business practices. The most common being business travel and physical meetings being replaced by virtual meetings. Many of our members lost their close relatives & friends. We offer our tribute to all of them.

MSMEs' faced another challenge from the State Government officials. The entire machinery remained non-co-operative and non responsive barring few departments. Pollution Control Board, Factory Inspectorate insisted for one to one dealing with exorbitant demands.

Major Achievements and activities during last one year is being produced to enlighten and update the house.

### **MEETING WITH CHIEF MINISTER:**

**27.01.2022:** Meeting with CM on submission of proposals for Jharkhand Budget:- President Sri Philip Mathew and Jt. Secretary Sri Vivek Bagla attended the stakeholders meeting on proposals for State Budget at Project Bhawan, Dhurwa, Ranchi. Sri Philip Mathew spoke on allocations required as well submitted written suggestions on State Budget.

### **MEETING WITH INDUSTRIES DEPARTMENT:**

**16.09.2021:** A Meeting with Secretary Industries on Issues related to MSME was held at Hotel Radisson Blue. The background of the meeting was due to the constant pressure built upon the Govt. by JSIA, FJCCI & others, culminating into an order on twitter by C.M asking Industry Secretary to meet business community and get their issues resolved. Member secretary J.S.P.C.B., C.I.F., & other senior officials of industry related departments attended the meeting. From JSIA, President Sri Philip Mathew, Vice Presidents Sri Anjay Pachariwala & Sri Binod Kr. Agarwal, Hony. Secretary Sri Ajay Kr. Dadheech and Sri Arun Sharma attended the meeting held at Radisson Blu Hotel. A thorough review of pending cases of Pollution department and as well direction to C.I.F. to revisit his policy of appointing select few "Competent Person" was ordered.

**21-22/09/2021:** Ministry of Commerce & Industry, Govt. of India along with DGFT, SHEFEXIL, The Economic Times and Govt. of Jharkhand organised a Two day Business Meet – Jharkhand Vanijya Utsav at BNR Hotel, Ranchi, On the occasion of Azadi ka Amrit Mahotsav week from 20 to 26 Sept.2021. The business meet was focused on creating inputs towards promotion of exports from the state. Business Interactions with various Central & State Government officials and agencies. Indian Institute of Foreign Trade organised a Training Workshop for existing exporters. Programme was attended by President Sri Philip Mathew, Chairman, Banking Sub Committee Sri H.P. Biyani, Hony. Secretary Sri Ajay Kr. Dadheech & E.C. Member Sri Arun Sharma, Sri Roshanlal Sharma.

**30.09.2021:** VDMA organized a Symposium on German Technology for the Industries Development of Jharkhand at Chanakya BNR Hotel, Ranchi. Guest of honor Mr. Manfred Auster, Consul General, Consulate General of the Federal Republic of Germany, Kolkata. Chief Guest Mr. Rabindra Nath Jha, Director, CMPDI. Mr. Philip Mathew, Mr. Ajay Kr. Dadheech, Mr. S.K. Agarwal, Mr. Jaideep Modi, Mr. Alok Khaitan & Mr. Randhir Sharma attended the meeting. The Speakers focused on the history of Indian & German Partnership. German Companies of Iron Steel, Mining and Technologies were present. Around 8 German Companies had set up stalls and presented technical session regarding their products, and it's application for MSMEs were discussed. The session was very interactive.

**07.06.2022:** An appointment was granted by Secretary Industries, Project Bhawan, Dhurwa, Ranchi to apprise her on various issues of Industries. It was attended by President, Sri Philip Mathew, Vice President Sri Anjay Pachariwala, Jt. Secretary Sri Vivek Bagla.

We brought the following issues to the notice of Industries Secretary:

- 1) Subsidy disbursed by Industry department is retained by banks and is released after three years from date of disbursement. Since the disbursement itself happens in 2-3 years from date of application, practically, MSMEs receive the amount after 5-6 years. We suggest a small change. Banks may be instructed to retain the subsidy for a period of three years from the Date of Production (DOP) OR Date of Disbursement whichever is earlier.
- 2) Effective monitoring of Single Window for timely disposal of applications, required under Clause 10. Of J.I.I.P.P. 2021 (Monitoring & Evaluation and Grievance Redressal) required. Due to non effective working and monitoring of Single Window, many industries are suffering. Timely renewal / grant of various permissions is key to running /starting an industry. The main **PAIN POINTS** are brought to the notice was as under:-
  - a) As per provisions of the single window act all applications have to be routed through the single window, which would be monitored and delays to be made accountable. But practically it is not being followed.
  - b) Application for New Electricity connection is too complicated. Fresh look as a whole, especially “application process flow” is required. If needed some private consultant / best practice of another state may be engaged.
  - c) Pollution, matters / Factory License grant / renewal etc. applications too are not being disposed off through the single window.
  - d) Factory Licence not being issued within any timeline.
  - e) Licence being rejected on flimsy grounds.
  - f) Single Window for timely disposal of applications, required under Clause 10. (Monitoring & Evaluation and Grievance Redressal) required.

**06.07.2022:** जल संसाधन विभाग, झारखण्ड द्वारा औद्योगिक जलापूर्ति के जलदर (Rate) में परिवर्तन का प्रस्ताव के उपर विचार-विमर्श किया गया। उक्त बैठक में जेसिया के तरफ से अध्यक्ष श्री फिलीप मैथ्यु, उपाध्यक्ष श्री अंजय पचेरीवाला उपस्थित हुए। यह बैठक निदेशक उद्योग के कार्यालय कक्ष में हुआ। Director of Industries seized upon this opportunity to understand various issues being faced by industries.

**19.07.2022:** Meeting with Secretary Industries, was held at Project Bhawan, Dhurwa, Ranchi. Agenda was 9th Governing Council meeting of Society Jharkhand Tool Room, Tatisilwa. Various proposals put up by the Principal was passed. Balance Sheet was discussed and adopted. Meeting was attended by President Sri Philip Mathew.

**19.07.2022:** Meeting with Dy. Development Commissioner, Ranchi on District Export Action Plan (DEAP).

DDC informed that Ranchi the state capital of Jharkhand, has been selected as one of the hundred cities in India to be developed as a smart city under flagship of smart mission. This district has abundant natural resources, rich cultural heritage, skilled workforce and developed infrastructural facilities. At present lac products, refractories products, apparel items and lubricants are being exported by some industries located at Ranchi district, so export competitiveness is present among situated industries.

This meeting was attended by Hony. Secretary Sri Ajay Kr. Dadheech & Co-Chairman, Banking Sub-Committee, Sri H.P. Biyani. Some of the major suggestions given by JSIA.

- 1) Wooden crate used for refractory exports are not of good quality. It was suggested that Govt. provide good quality wood for making pallet & other packing materials at techno commercial viable rates.
- 2) Micro exporters need hand holding by some existing established exporters on a cost plus basis. Suggestion was made to create hat type marketing outlet support.
- 3) Add Rice & rice products as well as “Bamboo” as “Thrust product” for export. DDC informed that Bamboo is being taken up for Netrahat area.
- 4) Improve internet by subsidizing high bandwidth gadgets for exporting units. A win-win proposal for a tie up with railnet was submitted.

### **MEETING WITH HON'BLE MINISTER (MSME) NEW DELHI:**

**27.04.2022:** A Meeting with different industry associations from all over the country under Chairmanship of Hon'ble Minister (MSME), Sri Narayan Rana, was organized under the “Azadi ka Amrit Mahotsav” program at Vigyan Bhawan, New Delhi on 27.04.2022.

We had submitted following suggestions to Minister for their consideration

- 1) **GEM Portal**:- The Portal is not smooth to work on viz Registration, Tender participation, quotation, Auction/Bidding process etc. Detailed paper has been submitted on 13.12.2021 with office of DC (MSME).
- 2) **MSEFC**:- We take this opportunity to highlight the matters related to MSEFC.
  - i) There is no uniform practice to conduct regular meeting of MSEFC. We suggest – one fix date every month as MSEFC meeting day.
  - ii) Pending cases beyond 180 days should be monitored at Central level and reasons should be sought for delay.

- iii) Suitable legal teeth should be provided for execution of Award.
- iv) Uniform SOP should be framed for uniformity in proceeding.
- v) Award/Decree of MSEFC is theoretically considered as land revenue arrear but practically it is not enforced. Recovery officer should be made accountable for timely enforcement and recovery of the Award/Decree.

**3) Abnormal Increase in Raw material cost:**

Abnormal Increase in raw material cost has adversely effected the MSMES. During last 3 months prices of raw materials has increased ranging from 150% to 300%.

The input cost of raw material source has not increased in such proportion. Large producers having captive mines have hardly incurred any additional cost.

Suitable measures is desired to ensure availability of raw materials to MSME by controlling the prices for the Survival/Existence of MSMES.

**4) Timely payment to MSMEs:**

Presently the steps taken to ensure timely payment to MSME's have not provided the desired results. We suggest:-

- i) TREDs should be made effective, non-compliance should be penalized. State Government State undertakings/utilities should be compelled by statute to route all MSME payments through TREDs.
- ii) Disbursement of any Subsidy / Grant to large Industries / Corporate under Central/State Schemes should be linked to clearance of unpaid payment to MSME. Incase of pending overdue payment of MSME, matching amount should be held back till MSME overdue payment is cleared.

**5) Separate Policy for Manufacturing & Service sector:**

Manufacturing MSMEs cannot be treated at par with Service Sector. Manufacturing MSMEs have different challenges for their survival and therefore deserves support - availability of land, finance, technology, etc.

- 6) Timely release of Grants/Subsidies/Subvention. Delay in disbursement beyond reasonable period impacts its purpose.  
CLCSS Subsidy were released after more than one year of application. Interest Subvention to MSME announced as Covid relief measure during 2020 were later refused citing non availability of adequate budgetary support.
- 7) Electricity Duty charged by State Power Discom should be brought in preview of GST, to reduce cost of production.
- 8) Diesel consumed by MSMEs in D.G. Sets should be brought in the preview of GST to bring down production cost.

The meeting was attended by Hony. Secretary Sri Ajay Kr. Dadheech & E.C. Member Sri Shivam Singh.

**MEETING WITH THE DIRECTOR, MSME-FACILITATION OFFICE:**

**22.10.2021:** Meeting with Director, MSME-Facilitation Office, Ranchi"40<sup>th</sup> on allocation of stalls for India International Trade Fair' 2021 from 14-27 November, 2021" at Pragati Maidan, New Delhi, on 22.10.2021. Attended by President, Sri Philip Mathew.

## **SKILL DEVELOPMENT CENTER AT JSIA:**

### **Background: Balasore & JSR trip:**

A team of 5 people comprising P.P. Arun Khemka, President Philip Mathew, Vice Presidents Anjay Pachariwal, Binod Agarwal, Hon. Secretary Ajay Dhadeech went on a One day visit to Balasore to visit Skill Training Centre run by Balasore Chamber of Industries.

We record our heartfelt thanks to Shri Mahesh Poddar our PP who initiated and sanctioned Rs 38.00 lacs from MPLAD fund to build another floor over our existing first floor, to be used for skill development centre. The work progress is slow, due to many reasons, mainly shortage of sand and other building materiel, as well as government apathy. We expect the work to be over in next 2-3 months. Several meetings with engineers were held with the active support of our member Shri Chandrakant Raipat.

**15.07.2022:** Meeting with Sri Sadanand Chourasia, Civil Engineer, D.C. office, Ranchi regarding slow progress in Skill Dev. Center at JSIA. With the intervention of Shri Chandrakant Raipat most issues were sorted out and work was restarted.
